SATISFACTORY PERFORMANCE LETTER

We had ordered three nos. New Long Chain Beamer Machine – Ø1000 x 1800 DBF shaft end type beam and One Ball Warping Machine with 560 Ends Creel to M/s. Prism Textile Machinery, Ahmedabad, India.

Prism had supply the machine as per our order. The installation done within time and successfully commissioning is done.

We appreciate Prism for satisfactory performance of LCB Machine and Ball Warping Machine.

Performance is best as per our requirement.

Thanks & Regards,

Sincerely Yours

Bhaskar Denim
