## TO WHOM IT MAY CONCERN

We had purchased High Speed Spindle Driven Direct Warping Machine Ø1000 x 1800 DBF with Trolley Type Creel of 528 Ends from M/s. Prism Textile Machinery, Ahmedabad, Gujarat, India.

Prism had delivered the machine on time as per our expectations. The Installation and Successful commissioning of Prism Spindle Driven Direct Warping Machine Ø1000 x 1800 DBF with Trolley Type Creel of 528 Ends was done within time line.

From the First set machine is running smooth and performance is satisfactory.

Thanking You,
